LAUNCHING OF WESTAR SKYLIVING

After the grand success of Westar Residency, Westar Properties Pvt. Ltd. launched WESTAR SKYLIVING - "A revolutionary concept in Luxury apartments, a paradigm shift in the elite lifestyle".

Westar Skyliving is the first and only project of the world renowned eminent Architect Hafeez Contractor in Nepal. Mr. Contractor was in Kathmandu this June to unveil his first project Westar Skyliving, a posh high-rise apartment, in Nepal. Astra Development Network P. Ltd with over 30 years of experience in the field of building design and housing is the project partner for Westar Skyliving.

Located at the peaceful and posh residential area of Chinnalata Chowk, Soltee Mode, Westar Sky Living is the perfect example of luxury amidst a natural living. Westar Skyliving is spread over 122 aas of meticulously designed landscape with lush greenery and water bodies. Sumptuously allocated 77% of open spaces depict the magnificence of openness to the sky. Each masterfully planned 4400 sq ft apartments are premium apartments with balconies overlooking the beautiful mountain range. Spacious and lavish interiors are complimented with the world class designer finishing materials of highest standards. And that's not all; each house has a separate maid's room which has a separate entry and service lift.

With this and more, Westar Skyliving is truly an epitome of elite lifestyle.
